### Notes

Microreproduction of originals at the county courthouse, Lancaster.

Film indicates files are in the circuit court but the original court for probate is the county court. Materials are here from both courts.

There is an index to this material on rolls: 1462946 A-E 1462947 F-K 1462948 L-Rogers, Edward 1462945 Rogers, Edward-Z. This index is to the film copy the way it is filmed but includes more years than are held by the Society.

Materials are arranged by box and folder number. Dates are mixed but most materials seem in alphabetical order. Additional materials at the end of the reel are from the 1960's-1970's and are not arranged in any particular order.

Some files may be missing or missing material. Some are filmed out of order and some do not have numbers on them.

### About this record

This screen shows the complete catalog entry of the title you selected.

The Film/Digital Notes contain a description of the microfilm or microfiche numbers. Some FamilySearch centers and affiliate libraries maintain collections of previously loaned microfilms or microfiche. A camera icon indicates items that are digitally available online.

Generally, catalog entries are written in the same language as the original record they describe.

Reasons why microfilms may not yet be available digitally on FamilySearch.org include:

- The microfilm may be scheduled for future scanning.
- The microfilm may have been scanned, but have a contractual, data privacy, or other restriction preventing access. FamilySearch makes every effort to enable access dependent on decisions of record custodians and applicable laws.
